And What Have You

By BOB CRAIG

The community of Hamlin received another bad blow this week when it was announced that the three local doctors were dissolving their partnership and would discontinue operating the local hospital at the end of this month.

Not only does this put the future of our hospital in question but it also puts a cloud over the whole future of Hamlin unless we can find other doctors to replace them.

There is not much future for a town without medical facilities.

While things look pretty bleak as of right now I do not believe they are hopeless. I believe that Hamlin has too much to offer for us not to be able to find some doctors interested in moving here. It has evidently been a good practice for the three doctors for the past 23 years and I can see no reason that it could not be the same in the future.

From the statement issued by the doctors it appears that Dr. Smith has not made any definite plans as yet and maybe, if we can find him some help, he will be willing to stay. I can understand that he must have some assurance of help before he could consider staying because it would just become more load than any one doctor could handle.

Our biggest problem now is time. We must find some more doctors soon or we are faced with the prospects of starting all over again.

It appears that if we are going to have medical facilities any time in the future we likely will have to come up with a clinic and at the very least completely overhaul our hospital facilities. But I believe that the people of Hamlin can do all of this if we can just come up with some doctors.

And with communities all over the nation looking for doctors there is no question but what this will be a problem. But as I said earlier I believe that Hamlin has too much to offer for us not to be able to solve this problem, if we will just get to work on it.

Just since Monday a number of people have started to work on this problem and a number of contacts have already been made.

But now is the time for everyone to come forward who might even know somebody who knows somebody that might know of an available doctor. What we need right now are leads.

We can not just sit back and wring our hands and worry because this will not solve our problem. What we need now is leadership and workers to get out and find these doctors. The rest of the problems can be solved.

I received the following letter this week from Peggie Bonds, executive secretary of the Hamlin Board of Community Development:

Dear Bob:

"We of the BCD want to thank you for publishing the news of the town. Especially do we thank you for telling the people of our community what we are striving to do through the Board of Community Development.

"It has come to my attention this week, especially since reading in the Hamlin Herald about Dr. Perrin's plans to leave, after having served the people diligently day and night for 23 years, that we have failed to give thanks and encouragement to Dr. Perrin, Dr. Smith and Dr. Hawkins during a time of crisis. With all the publicity given to the hospital situation there has not been any move made by the people to give a pat on the back, a thank you or a word of appreciation to our doctors.

"On behalf of the BCD and for myself I would like to say thank you for the many years of faithful service and compassion shown this community life. We need more citizens

STAGE BAND WINS FIRST PLACE — The Hamlin High School Stage Band, pictured with director Tim Jones, at the Christmas concert, competed in the annual Tarleton State College Stage Band festival Saturday and won first place in Class AA. Others in the same division were Bridgeport, Mart and Hamilton. The band will travel to Big Spring Feb. 25 for the first annual festival to be held there. Stan Kenton and his orchestra will act as clinicians. Judges will be among the top jazz men. About 15 Class AA stage bands are expected to compete.

Pipers, Piperettes In Must Games With Haskell Friday

Both the Pipers and the Piperettes moved closer to shot a district title as the Pipers knocked off Merkel here Tuesday to throw the boys race into another three-way tie and the Piperettes defeated Anson Friday to take the second half lead.

Going into the final game the boys race is in a three-way tie between Merkel, Anson and Hamlin. This is the way the first round ended. In the girls race, the Anson girls won the first round and the Hamlin girls are leading the second round.

If both teams defeat Haskell Friday evening in games to be played at Haskell and the other contenders also win Friday then both the boys and girls district races will go into playoffs.

To break a three-way tie, one of the three teams will draw a bye with the other two teams

playing. The winner will then meet the team drawing the bye for the championship. In the girls race a playoff game would be necessary to break the tie between the first round winner and the winner of the second round.

Playing here Tuesday evening the Pipers were forced to come from behind in the final period to down the Badgers of Merkel who were undefeated in the second round going into the game. Hamlin won 62-59 with four players scoring in double figures. David Willis was high with 18 points, Rick Rodgers

and Leonard Johnson each had 15 and Milton Jones scored 11.

The Piperettes kept their title hopes alive by defeating the Merkel girls, 53-43, with Becky Wright hitting 27 points, all on free throws. The local Girls B team defeated Merkel 19-16.

The Pipers were handed their second district loss, both coming from the same team, as they fell to Anson Friday on the Tiger's home court, 63-54. Leonard Johnson led the Pipers with 21 points.

The Piperettes handed the Anson girls their first district defeat as they won, 37-35, with Becky Wright scoring 16 points.

The Boys B team defeated Anson, 53-48.

Registration Of Voters Not Ended

Secretary of State Bob Bullock said today that despite some newspaper articles and radio bulletins to the contrary, voter registration did not end on January 31.

Secretary Bullock said, "I am aware of at least two newspaper articles and several radio announcements which stated that January 31 was the last day for voter registration. Apparently there is some confusion about the new voter registration law passed by the last legislature. Under the new law, voters can register any time during the year. However, persons must register at least 30 days prior to an election, to be able to vote in that election."

Bullock stated that his office had mailed a reminder of the new voter registration law to all County Tax Assessor-Collectors who are responsible for issuing voter registration certificates.

Eighth Graders, Lueders Play Here Monday

The Eighth grade boys and girls will host Lueders here Monday evening with the girls playing at 6. The Seventh grade team will be idle.

Playing at Albany Monday evening the Seventh and Eighth grade boys defeated Albany and the girls lost. The Eighth grade boys won, 33-18, with Gary Don Mayes scoring 16 points and Daniel Willis, 12. Delbert Thompson led the scoring for the Seventh grade with 14 points as they won, 30-18.

Melissa Madden scored nine points as the local girls lost to Lueders in the final seconds of the game, 16-15.

Jack Hightower Announces For Re-election to Senate

Vernon — Now in the mail are formal requests for a place on the ballot for the Democratic primary by Jack Hightower as a candidate for re-election to the State Senate from the 30th Senatorial District.

Sen. Hightower has been an announced candidate for some time, but formal filing with the County Democratic Committees was delayed due to the litigation involving Senatorial district boundaries and the question of filing fees. Some of the legal questions having been resolved it is now known which counties are included in the new 30th Senatorial District.

Sen. Hightower is in his eighth year of service in the Senate. He also served one term in the Texas House of Representatives and was District Attorney of the 46th Judicial District seven years

prior to his election to the Senate.

A legislative leader, Senator Hightower is Chairman of the Senate Administration Committee and has played a vital role in the improvement of the legislative process in Texas. In addition to his membership on the major Senate committees in the last regular session of the legislature he served as President Pro Tempore of the Senate. On April 3, 1971, while serving as Acting Governor, the people of the 30th Senatorial District honored Senator Hightower and his family at "Governor-for-a-Day" events in Austin.

Senator Hightower, 45, is a native of Memphis, Hall County, Texas. He and his wife, the former Colleen Ward of Tulsa, Texas, have three daughters, Ann, 19, a student at Baylor University; Amy, 15, and Alison, 12.

Local Trucker Dies in Wreck, Rites Friday

Norman H. Kieschnick, 32, 537 N. W. Ave. F., was killed early Thursday in a one-vehicle accident on U. S. 180, 12.7 miles west of Palo Pinto. He had been a resident of Hamlin two years, moving here from Lubbock.

Kieschnick, a driver for Leroy Pritchard Trucking Co., was hauling cotton seed when he apparently went to sleep and ran off the roadway about 3:30 a.m., according to a spokesman for the Dept. of Public Safety.

Patrolmen Harold Couch and Garcy Cardwell of Mineral Wells investigated the accident. Services were held here at 3 p.m. Friday in the Assembly of God Church with Rev. Dick McAnally, pastor, officiating. The body was then taken to Taylor to Condra Funeral Home.

Another service was held in the Lutheran Church of Thorndale with Rev. Vernon Appel officiating. Burial was in Thorndale Cemetery.

Born Apr. 30, 1939, in Thorndale, he was married May 22, 1966, in Lubbock to Peggie Ann Jones. He was a member of the Lutheran Church in Thorndale.

Survivors include his wife; one son, Norman Eric of the home; his parents, Mr. and Mrs. Adolph Kieschnick of Thorndale; one brother Wilbert of Taylor; and one sister, Mrs. Allen Ray (Joyce) Patschke of Taylor.

Milton Davis Fifth Round Draft Choice

Milton Davis, a senior at the University of Texas at Arlington, was drafted by the Kansas City Chiefs in the fifth round, it was learned here Tuesday evening.

Milton, a 1968 graduate of Hamlin High School, played defensive end at UTA.

He is the son of Mr. and Mrs. M. P. Davis, formerly of Hamlin, now living in Perryton.

Doctors to Terminate Practices Here Feb. 29

The doctors who have operated the Hamlin Memorial Hospital for the past 23 years voted this week to discontinue the operation of the hospital and to disband their partnership clinic and hospital management practice effective Feb. 29.

The partnership of Dr. E. D. Perrin, Dr. E. J. Hawkins and Dr. M. L. Smith was formed in 1949.

In a statement released Tuesday the doctors said, "We feel it is in our best interests that we discontinue our partnership clinic and hospital management practice."

In their statement they announced that they would relocate in separate communities with Dr. Perrin moving to Cameron as he had announced last week. Dr. Hawkins will move his practice to Stamford and said that the opening date of his office has not yet been settled. Dr. Smith is unsure of his future plans at this time.

In making the announcement, Dr. Hawkins said that he would continue to live in Hamlin and would administer to the needs of the residents of Holiday Lodge.

J. C. Turner, president of the Hamlin Memorial Hospital Association, said Tuesday that it was with regret that "we learned of the doctor's decision and wish to express our appreciation for their many years of service to this community."

Turner said that he expects to call a meeting of the board of directors of the association that owns the local hospital to see where we can go from here. He said that our first need is to find some doctors to replace those we are losing and then to look into the possibility for forming a hospital district or some type of organization that can operate the hospital.

Turner also stated that a number of concerned citizens are working on the problem but no progress had been made up to noon Tuesday.

Board Seeking Applicants For Superintendent Position

The Trustees of the Hamlin Independent School District are now accepting nominations and applications for the position of Superintendent, according to W. T. Johnson, president of the board.

This vacancy was created by the retirement of C. F. Cook, effective June 30. Cook has been superintendent of the Hamlin

schools since 1955.

In an effort to get the best qualified nominees for the position the board is requesting from several colleges, universities and superintendents of larger schools, Johnson said. He said that the board was also accepting individual applications and had already received about 17.

In a meeting last week the board drew up a list of qualifications that they will be seeking in making the selection of a new superintendent. Preference will be given to applications who meet the following criteria:

An earned graduate degree. Successful experience as a superintendent of a Class A school or larger.

A strong background of educational administration including school finance, curriculum development, personnel administration, school and community relations, and school law.

An age range of 30 to 50 years.

Board Sets Trustee Vote Here Apr. 1

The Board of Trustees of the Hamlin Independent School District have called a trustee election for Apr. 1. Three trustees will be elected at that time. The three-year terms of Dr. M. L. Smith, Ewell Mackey and W. T. Johnson will expire on Apr. 1.

The final day for filing for election to the board is Mar. 2.

The election will be held in the high school lobby with A. B. Carlton serving as election judge. He will be assisted by Mrs. Arlie Cassle, Mrs. A. B. Carlton and Mrs. J. O. Murphree.

Those desiring to have their names placed on the ballot must make application in writing and sign a loyalty oath. The forms are available from Mrs. Murphree, secretary to the superintendent.

Absentee voting will begin on Mar. 13 and end Mar. 28. Absentee voting will be in the superintendent's office with Mrs. Murphree serving as absentee clerk.

Balloon Sale Set Saturday

The March of Dimes Balloon Sale will be held Saturday afternoon, according to Joe Ford, general chairman.

The balloons will be sold downtown if weather permits, Ford said.

The Mothers March set for last Sunday was called off because of cold weather and will be re-scheduled at a later date.

Baptists to Hold Mission Conference At Lueders

The 1972 statewide missions thrust projected by the 1.9-million-member Baptist General Convention of Texas will be felt locally when the churches of the West Central Baptist Association come together Monday night Feb. 7 for their Missions-Stewardship-Youth Conference.

The conference will begin at 7:00 p.m. in Lueders First Baptist Church.

One of more than 100 similar meetings being held across Texas, the meeting will feature leaders from the Missions and Stewardship Divisions of the Baptist General Convention of Texas.

Texas and state leadership who are involved with the various mission programs of the convention.

The meeting will include a session to acquaint church leadership with the challenge of Biblical stewardship and the resources available for designing a program of Stewardship Development. "There is a bold challenge for growth in Christian giving which is equal to the new potential made possible by prosperity," said Dr. Cecil Ray, director of the Stewardship Division of the Baptist General Convention of Texas.

RONALD LEE TINER
... teaching here

Ronald Tiner, ACC Grad, Joins Faculty Here

Ronald Lee Tiner, a recent graduate of Abilene Christian College, has joined the high school faculty of the Hamlin School System as general math and physical science teacher, according to C. F. Cook, superintendent.

He replaces the late Mr. I. J. Starr.

A math major with an English minor, Tiner graduated from ACC Dec. 17 and did his student teaching last fall at Abilene High School.

He is a graduate of Woodrow Wilson High School of Dallas. While at ACC he received four varsity football letters and was a tri-captain of the football team last fall. He was named to the "Outstanding College Athletes of America" and to "Who's Who Among American College and University Students." He was president of Sub T-16 Social Club at ACC and on the Dean's Honor Roll for three semesters.

His wife is a teacher in the Anson public schools.

MR. AND MRS. DAN BRANSCUM
... to be honored at 50th anniversary

MR. AND MRS. BRANSCUM
... at marriage Feb. 5, 1922

Open House to Honor Dan Branscums Sunday

Mr. and Mrs. Dan Branscum will be honored at open house, 339 West Lake Drive, Sunday, Feb. 6, from 2 to 4 p.m. in celebration of their Fiftieth Wedding Anniversary. Friends and relatives are invited.

The couple's five children will be hosts for the event. The daughters are Mrs. Eddis (Maxine) Carpenter of Plainview, Mrs. L. B. (Loveta) Bruner of Hamlin, Mrs. Wesley (Juanez) Groom of Abilene, and Mrs. Gene (Patricia) Steele of Ft. Leavenworth, Kans. Their son is Neal Branscum of Houston.

Also in the houseparty will be Mrs. J. W. (Gracie) Maberry, a sister of Mrs. Branscum's. Mrs. Maberry and another sister, Mrs. James (Lorene) Branscum of Snyder, were reared by the Branscums. Mrs. James Branscum married Mr. Branscum's brother. She plans to be here for the observance.

Mr. Branscum was born Dec. 22, 1900, in Fox, Ark., the son of the late Rev. and Mrs. T. Branscum. He came to Hamlin at the age of eight. He is a retired carpenter and a former contract trucker.

Mrs. Branscum, the former Dena Parker, was born June 20, 1905, in Sparta, Tex., daughter of the late Mr. and Mrs. J. O. Parker. At the age of 14, following the death of her mother, her father and family moved to Hamlin. Her brother, Luther Parker of California was here recently and will be unable to attend the open house.

Mr. and Mrs. Branscum met in the fall of 1920 at Mt. Zion Church. They were married Feb. 5, 1922 in Hamlin.

They are members of Calvary Baptist Church. They both

enjoy gardening as a hobby and Mrs. Branscum enjoys sewing. They have 11 grandchildren and two great-grandchildren.

Wedding Hints . .

Planning a wedding? These tips on getting information to the Hamlin Herald office should be followed.

1. Two pictures of the bride will be used only if the engagement is announced six weeks prior to the wedding. A one column picture will be used with the engagement announcement and a two column picture will be used with the wedding.

2. Only black and white prints will be used. A billfold size for the engagement picture is adequate. A 5 x 7 or 8 x 10 is suitable for the wedding picture. Glossy prints are preferred.

3. Wedding information and picture should be turned in before the wedding or on Monday immediately following a wedding that occurs Wednesday through Sunday.

Monday and Tuesday evening weddings should be reported no later than Monday. Information that is to be sent to a daily publication should be in the Herald office one week prior to the wedding date.

4. Information and picture received three weeks after the event will not be published. A brief announcement of the wedding will be used after three weeks.

5. Wedding stories and pictures are used when either the bride or groom is a resident or former resident of Hamlin. Grandchildren of residents may choose either to have a picture with cutlines or a wedding story.

Information blanks for engagements, weddings and anniversaries are available at the Herald office.

Hamlin Exes Mark 70th Anniversary

Mr. and Mrs. M. I. Harris of Red Rock, former residents of Hamlin, celebrated their 70th wedding anniversary with their children on Dec. 5. Mr. and Mrs. Harris will be 89 years of age in a few months.

The couple had eight children. Those celebrating with their parents were Henry Harris of Oak Hill, L. E. Harris, K. H. (Shorty) Harris, and Mrs. Elaine Vandiver, all of Red Rock.

Mr. and Mrs. Harris have 26 grandchildren, 36 great-grandchildren and two great-great-grandchildren.

Mr. and Mrs. Lanny Neal Ford of Stamford are the parents of a girl, Kelly Lanae, 7 lb. 2 1/2 oz., born Jan. 25 at 8 p.m.

The standard deduction is up this year. But maybe you should itemize.

Your best buddy Lenny might have told you to itemize your deductions because it would save you more tax dollars.

Your neighbor possibly suggested taking the standard deduction because you'd pay less taxes that way.

And Frank down at the office . . . he helps everybody with their return . . . what did Frank recommend?

If there's some way to save you money on your income tax, H & R Block will know how to do it.

Itemized and standard deductions are nothing new. We've been preparing returns for years using both. We'll figure out your situation both ways and then prepare your return using the method that's best for you.

You see, for only a few dollars more than it costs to do it yourself (with advice maybe from some other amateur), you can have your tax return prepared with complete confidentiality by a specially trained member of the H & R Block team. There are thousands of them in over 6,000 conveniently located offices.

Each member of H & R Block is warm, friendly and anxious to help you. A visit to H & R Block usually takes just a short time. Once in our office, you sit down over a free cup of coffee and possibly learn

things about your income tax that you never knew existed. Things that we know, because income tax returns are our only business.

H & R Block's fees start at \$5 and the average cost was under \$12.50 for over 7 million families we served last year.

Furthermore, if your return is audited we will accompany you, at no extra cost, to the Internal Revenue Service and explain how your return was prepared, even though we will not act as your legal representative.

It means that H & R Block also offers you year 'round tax service for just one low fee, with no extra charge for audits and estimates.

FROM THE FILES . . .

FORTY-THREE YEARS AGO
(February 15, 1929)

J. E. Moody, Lige Pruitt, Joe Jolly, Mr. Lintz and Homer Massey attended the annual Banquet of the Rotan Chamber of Commerce which was held in Rotan Wednesday night. They report a most profitable and enjoyable time.

The Finance Committee of the Hamlin Chamber of Commerce is busy raising the budget for 1929. This committee is composed of J. E. Moody, Tate May, Lige Pruitt and Paul Robertson.

The Hamlin Primary School League was organized at the school auditorium Feb. 5, at 3:30.

The chief aim of the organization is to help bring the parents and teachers more closely together and help to understand the needs of the primary department. Very interesting talks were made by Miss Mae James, Mrs. Mahew, Miss White and Mr. Green. The following officers were elected: Mrs. F. B. Moore, President; Mrs. W. J. Bryant, Vice President; Mrs. Geo. Harrell, Sec'y-Treas.

A community rally will be held at the Carlton School House Thursday, Feb. 21. There will be speaking in the morning, free lunch at noon, and basketball in the afternoon.

TWENTY YEARS AGO
(February 1, 1952)

Hamlin is definitely destined to get a new and larger post office building soon as a result of the final approval or a proposed new structure that came first of the week to Postmaster Perry Sparks.

Approval was given the plans submitted several months ago by Art and Stanley Carmichael for a 48x58-foot building on the corner lot across the street from the present post office, at Southwest Third Street and Southwest Avenue A.

Work of dismantling the building formerly occupied by Morgan Insurance Agency and W. H. (Bill) Eyssen, attorney, was well underway this week.

A modern structure will be erected by John C. Bryant.. Contract on the building is held by E. F. Fairy, who hopes to have the new structure ready within 60 days.

Plans were put underway by members of the Oak Grove Baptist Church (colored) several days ago to construct a new meeting place for the congregation, it was announced this week by A. Paige, chairman of the board of deacons.

Rev. J. L. Johnson is pastor of the church, having come here about five months ago. Membership in the church now totals about 150 members. Average attendance at Sunday School is 65, officials said.

TEN YEARS AGO
(February 8, 1962)

After 22 years in the dry goods business in Hamlin, George Malouf has sold his Malouf's Department Store to Heidenheimer's. At present he has no plans for the future and he and his wife just plan to rest for a few months.

L. C. Bonds was named as the new president of the Hamlin Riding Club at a meeting held Saturday night in the Oil Mill Guest House with approximately 40 members in attendance.

During the business meeting, presided over by the outing, president, Dr. E. J. Hawkins, it was decided to build a judge's stand and office at the rodeo grounds. Also ladies rest rooms will be added.

Forman opening of the new auditorium, chapel, offices, library and classrooms of the First Baptist Church will be held Sunday. The public is invited to an open house Sunday afternoon from 2:30 until 4:30, according to Rev. Lenard Hartley, pastor. The \$230,000 addition to the facilities of the church was to be completed this week. Preliminary work on the addition was started in 1960 and construction work got underway in the early part of 1961.

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

like you and do want you to know we appreciate all you do.

"There is another problem we need to face. We have a fine swimming pool in Hamlin City Park. We don't think much about it until summer time and then we expect it to be open for our children. The people of this town built this pool and now it needs some financial help to maintain it.

There is a great need to have recreation for our young people, they either find it at home or they go elsewhere. When you are forced to go out of town for one thing then dollars are spent out of our town for many things. Let us all think about what is best for our town and keep it together. At least to the point of keeping the things we have.

Thank you very much.
Peggye Bonds

For some time now I have been planning to discuss the problem we are facing with our swimming pool and it is hard to think about swimming pools with snow on the ground outside but now is when the problem must be solved.

There are a number of problems facing the swimming pool, not the least of which a better filter system and general repairs. But it seems to me that the biggest problem is in the way it is operated.

At the present time the pool is operated by the Hamlin Foundation which is a very loosely operated organization made up of delegates of the service clubs and organizations of Hamlin. The problem with this is that while it becomes everybody's business it is at the same time nobody's business.

It appears that if we are to continue to have a swimming pool then some one organization will have to take it over. This could be the city, the school, the BCD, the Lions or any one of a number of organizations but it does need to be some organization that is strong enough to carry the load and willing to assume the responsibility.

It is possible that the Hamlin Foundation could handle the job if it could become a stronger organization but I doubt that this can be done.

But regardless of how it is done, something must be done within the next month or so if the pool is to open this summer.

Q. I have been working for a contractor and paying into social security for the past 20 years. I am usually off work at least 3 or 4 months out of every year. After I reach 62 next month, can I collect social security retirement benefits for those months I don't work?

A. Yes, you may be able to collect reduced retirement benefits for those months in which you do not work. You should contact a social security office and discuss the details of your particular case.

About 95 percent of those 65 and older have protection under the voluntary medical insurance part of Medicare.

a little BIG NOW

We all get a thrill out of seeing our children put on our hats or shoes. Obviously they don't fit now, but some day he, or she will grow to fit them. At the same time imagine that they are trying on our lives. Would they fit? . . . or do you live the type of life that you would want them to grow to. Live a life of worship of the Lord.

"Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Questions and Answers

Q. I've been offered a job as custodian of an apartment building. The pay includes both cash wages and a free apartment for myself. Will my employer and I have to pay social security contributions only on the cash wages?

A. No. Your employer must include the value of the apartment as part of your salary. The apartment is considered "wages in kind." Social security contributions must be paid on this as well as your cash wages.

Q. I have a small business of my own, and I have no plans to retire yet. My net earnings have been averaging around \$2,500 a year. Now that I am 62, can I get any benefits from social security?

A. You might be eligible for some retirement checks from social security. For a self-employed person, like yourself, it depends on your net earnings and the number of hours you put into your business in a month. Contact any social security office for complete information.

ASCS Office
Says Reports
To Be Delayed

The Jones County ASCS office has received notice that there will be some delay in providing reports of farm payments to producers for income tax purposes, according to R. B. Rowland, County Executive Director.

These forms are prepared and mailed from the New Orleans Data Processing Center and they advise us as follows: "Some difficulty has been encountered in obtaining a sufficient supply of Forms CCC-182, Report of Payments to Producers, to provide for printing and distribution to all producers prior to January 31, 1972. Approximately one-half of the required number for of forms have been printed and are now in the hands of the producers. It is expected that the remainder of the forms will be printed and distributed to producers by February 11, 1972."

Rowland stated "this delay is regrettable, and the local ASCS Office will assist producers in any way possible."

Mother Dies
In Waco Sat.

Funeral for Mrs. Lillie O. Jenkins, 93, 1701 West Waco Drive, Waco, mother of Mrs. Clinton Barrow of Hamlin, was held at 2:30 p.m. Monday at Wilkerson-Hatch Funeral Home chapel in Waco. Dr. Sidney Roberts officiated.

Graveside services were held at 4 p.m. at Ridge Park Cemetery at Hillsboro.

Mrs. Jenkins died at 10:15 a.m. Saturday in a Waco rest home. She was the widow of the late Fred Jenkins of Hillsboro. She was born in Hill County and had lived there most of her life.

Survivors include three daughters, Mrs. S. H. (Sada) England of Waco, Mrs. George (Vada) Dean of San Angelo and Mrs. Barrow (Hazel Mae) of Hamlin; 10 grandchildren and 23 great-grandchildren.

Social Security Annual Earning Report Now Due

The usual annual report of earnings is now due from social security beneficiaries who earned over \$1680 in 1971 and were under age 72 for at least part of the year. The report must be filed on or before April 15, 1972, according to R. R. Tuley, Jr., district manager of the social security office in Abilene.

The report form, on a special card, will be mailed to all beneficiaries who notified social security that they expected to earn over \$1680 in 1971. Those who unexpectedly earned over \$1680 should request the form from a social security office.

Report only the amount that you earned from employment and self-employment in 1971. If you were employed, report the amount earned before any deductions. If you were self-employed, report your net earnings. Do not report any income that was not earned, such as interest, dividends, or rent (unless you were a real estate dealer or an active farm landlord.)

If you have any questions or need help in making this report, get in touch with a social security representative. Bring your 1971 W-2 form or a copy of your income tax return with you if you call at the office.

Coffee Day Friday added \$65 to the March of Dimes fund.

Capital NEWS

By BILL BOYKIN

AUSTIN — One adverse federal court decision after another fuels the feud between Gov. Preston Smith and Lt. Gov. Ben Barnes.

Smith was quick to blame on Barnes the failure of a 1971 filing fee statute which threatens to force a special legislative session.

While that issue was still raging, another Dallas three-judge court struck down the legislature's congressional redistricting plan. Once more, Smith accused the lieutenant governor of "reluctance" and "inaction" on redistricting.

When a third court frowned on House of Representatives redistricting in major counties as done by a board Barnes served on, Smith once more leveled at the lieutenant governor charges of "immature action" and lack of leadership. Single-member districts were ordered for Bexar and Dallas counties.

Sen. J. P. Word of Meridian, speaking in Barnes' defense, said Smith offered the legislature no leadership himself and reminded that the governor could have vetoed the congressional redistricting measure if he didn't like it.

Meanwhile, Atty. Gen. Crawford Martin succeeded in getting a temporary postponement of the congressional redistricting order. The U. S. Supreme Court agreed to delay the new plan pending appeal.

U. S. Sen. Lloyd Bentsen, who intervened as a friend of the court in support of the stay, said congressional candidates for this year, at least, can run in the districts given them by the legislature.

That would be a relief for Congressmen Graham Purcell of Wichita Falls and Omar Burleson of Anson; Jim Wright of Fort Worth and Ray Roberts of McKinney and O. C. Fisher of San Angelo and Abraham Kazen of Laredo who had been pitted against each other in the federal court plan.

If he has to call a special session on primary election financing said Smith, he will expect "those responsible for creating this problem" to come up with "workable alternatives."

GOVERNOR'S POLL TAKEN — Dolph Briscoe won another editor's poll last week at the mid-winter meeting of the Texas Press Association. Editors were asked first who they thought would carry their county — if the vote were taken on that date (January 24). Forty-eight editors responded to the poll with this vote: Briscoe, 18; Preston Smith, 13; Ben Barnes, 12; Barnes-Briscoe tie, 2 and three undecided.

They were asked: "How will you vote in the 1972 Governor's race?" This was the result: Briscoe, 28; Smith, 6; Barnes, 5; Grover, 1 and undecided, 8. **CRIME FIGHT PROPOSED** — The governor's Criminal Justice Council promises a legislative drive for laws to help stamp out organized crime in the state.

Mafia-type operations have been noted in Texas by the President's Commission on Law Enforcement and Administration of Justice and other investigators, the council's new 1972 plan points out.

Further, states the council, many bets on sports events are being taken by bookie shops with national "confederation" affiliation.

This legislation was recommended:

Power for the attorney general to bring suit in criminal cases.

Subpoena power in a statewide grand jury or crime prevention council.

Permission for electronic surveillance (including wiretapping).

The Council proposes to spend about \$1 million of its projected \$25 million 1972 allocations for action against organized crime.

AG OPINIONS — A county has authority to construct and operate an area or regional waste water collection and treatment system and perform water quality management functions, Attorney General Martin held.

In other recent opinions, Martin concluded:

A 25-year mineral lease had been duly extended and was in

good standing last October 4 when an application for renewal was made to the School Land Board.

An independent school district lacks authority to give one outright 20-year lease of property to a neighborhood center.

Fees paid erroneously to the Industrial Accident Board and placed in the state treasury may not be refunded in absence of a legislative appropriation.

The State Building Commission has authority to contract with the Texas Parks and Wildlife Department for construction of state park projects and may contract with the State Highway Department for roads, trailer loops and parking areas with Board of Control approval.

Parks and Wildlife Commission has authority to control taking of fish from public waters, but it's doubtful any rule imposing restrictions on bass tournament participants that would not apply to other fishermen would be valid.

An applicant for certification as a psychologist must have received the doctoral degree.

Texas Education Agency cannot participate separately in payment of premiums for insurance for its retired employees.

The 1971 rules adopted by the Texas State Board of Dental

Examiners are valid.

Dallas Independent School District trustees cannot alter the method of electing members to provide that six be elected by votes of their single districts.

Good Neighbor Commission members are not authorized reimbursement for use of private airplanes on official business out of state.

The Industrial Accident Board has jurisdiction over industrial injuries to employees of the City of Bryan.

A \$5,000 legislative appropriation to Elm Creek Water Control District is valid, and the governor has no authority to veto a portion of an appropriation.

COURTS SPEAK — A candidate for state senator must live in his district only one year before the date of the general election, the State Supreme Court held.

The Court of Criminal Appeals relaxed rules on admissibility of gory pictures in murder trials, holding, in effect, that use of the photographs is largely up to the trial judge's discretion where it is "competent, material and relevant to the issue on trial."

Overruling the Austin Court of Civil Appeals, the High Court found legal the University of Texas' acquiring 280 acres of its UT-Permian Basin campus site

Neinda Philosopher Thinks Scientists Have Gone Overboard for School Via TV

Editor's note: The Neinda philosopher on his Johnson farm on Route One tries to head off some new scientific progress, his letter this week indicates.

Editor:

The trouble with some people is they confuse something new with something better.

For example, according to an article I ran across in a newspaper yesterday, some scientists have looked into the use of television in the classroom and reported that two-way cable television is going to revolutionize everybody's way of life.

A housewife, they said, will be able to stay at home, tune in a supermarket, look over the shelves, make her selections, and have them sent out, while a computer at the store rings up the sale on her account at her desk which is also plugged into the system. If her baby is sick, she turns her home camera on and the doctor, dials her doctor, and he makes the examination on his screen, with his prescription being filled by a plugged-in

drugstore.

To top it off, the scientists said, the prime use of the system will be to eliminate schools as we know them. Kids stay at home, the teacher instructs them via her television and they answer via theirs. With one fell swoop this ends taxes for school buildings and football fields, ends busing, demonstrations and dress codes. Maybe even the P.T.A.

This may have its appeal at first glance, but those scientists haven't consulted apparently with very many parents. From a young parent's viewpoint, one of the glorious advantages of universal public education is that it gets the kids out from under foot as soon as they reach age 6, and there's some agitation from parents whose nerves are about to break to make it 5 or even 4.

You try to set up a system that keeps kids in the house every day until they're 18 and you'll be charged with inciting adults to riot.

It's true lots of schools are having financial trouble and

recent rulings that property taxes as their chief means of support are unconstitutional are compounding the difficulty, but keeping kids at home under foot for their schooling would be worse than unconstitutional, it'd be inhumane. Ask any mother who's counting the days till her kid's old enough to start to school, down the block or across the town but not in her living room.

Yours faithfully,
J. A.

Col. Johnson Gets Meritorious Service Medal

SAN ANTONIO — U. S. Air Force Colonel Glendon T. Johnson, son of Mr. and Mrs. Burnam R. Johnson of Old Glory, has received the Meritorious Service Medal at Randolph AFB, Tex.

Colonel Johnson distinguished himself as operations officer and commander of the 3536th Navigator Training Squadron at Mather AFB, Calif.

He was honored during ceremonies at Randolph, where he now serves as deputy base commander with a unit of the Air Training Command which provides flying, technical and basic military training for USAF personnel.

The colonel, who has served in Vietnam, holds the aeronautical rating of master navigator.

A 1966 graduate of Old Glory High School, he received a B.S. degree from Texas Technological University where he was named a distinguished military graduate and commissioned through the Reserve Officers Training Corps program.

His wife, Mary, is the daughter of Mrs. Rilla Henson of Rt. 1, Percy, Ark.

BOB TABB
All-West Texas

Grandson Named to WT Football Team

Bob Tabb, a senior at McCamey High School, was named on the 1971-72 All-West Texas Football Team. Tabb made first team defense and the second team offense. Earlier this year he was voted on the All-District team, receiving a unanimous vote for offense and 4 out of 5 votes for defense. Tabb was the only Badger to make the All-West Texas Team.

Tabb played three years of varsity football for McCamey. Last year he received Honorable Mention All-District. Tabb played end for the Badgers this past season and also served the team as punter. In a couple of games this season he played tailback in the single wing formation.

Tabb was also a commended scholar this year. He scored in the upper two percent of the students expected to graduate in 1972 on the National Merit Scholarship Qualifying test.

He is the son of Mr. and Mrs. Monroe E. Tabb of McCamey and the grandson of Mr. and Mrs. J. P. Bowman and Mr. and Mrs. Monroe T. Tabb of Hamlin.
